ROSIMIRO AND BROOKDALE NYMPH WIN HURRICANA AND BRONX.

Masquerade Adds Another Purse to the Keene Total-She and Beauclere the Only Favorites to Win.

New York, October 9.-The weather today was delightful with just a tinge of autumn sharpness in the air. The excellent program attracted a crowd to the magnificent Belmont course. The clubhouse inclosure contained a larger representation of the smart set than it has held on any afternoon during the present meeting, with a possible exception of the opening day.

Of the two stakes down for decision, the Bronx Highweight Handicap and the Hurricana Selling the former was easily the feature.

Brookdale Nymph emphasized the present winning form of the Whitney establishment by winning this stake all the way, displaying quite unexpectedly her brilliant speed of former seasons, which combined with her stamina, enabled the fast mare to dispose of her opponents. The winner was accorded heavy support throughout the betting at the average odds of 5 to 1. Jack Atkin, the steadily receding favorite, which finished a belated second, was the victim of a ride that evoked wondering

comment from the spectators.

A very moderate lot of two-year-olds were engaged in the Hurricana Stakes at five furlongs. Rosimiro broke out of the maiden ranks by scoring somewhat easily at 8 to 1 over eleven others. Jane was a receding favorite in the betting that was lost in the shuffle in the actual contest.

Enhanced interest centered in Masquerade's victory in the second race. She seemed a certainty on her last race, but has been none too consistent.

But she won here like a good filly.

The fourth race, at a mile for two-year-olds and upward, was really the most attractive race on the card. A number of speedy two-year-olds were pitted against older horses, and the winner turned up in the 10 to 1 choice, Number One, which has all along displayed unmistakable characteristics of a stayer. Waiting tactics proved disastrous with Nimbus, which was beaten off.

The long over-due Beauclere won the long-distance affair that wound up the afternoon's sport. He was a stanchly backed favorite, and never gave his

backers a moment's uneasiness.

Don Enrique has mended his ways materially since Mr. Belmont sold him, and is now a fast and consistent race horse. Cressina and Prince Hamburg were well supported favorites in the first race, but neither had anything to do with the finish, Don Enrique scoring easily in fast time from the lightly-weighted outsider, Zienap. Dolly Spanker ran a good race here and is evidently in form to win more than once in the fall campaign. Cres-

sina quit and ran far below his real form.

Masquerade's good race behind Stamina in the fillies' half of the Matron Stakes sufficed to make her an odds-on favorite for the dash for two-yearold fillies that was the second item on the card. Marbles conclusively in the stretch, and the latter finished far in front of Adriuche for second money. But for being pocketed and knocked about Miss Norfolk would have been

ot better The Hurricana Stakes unexpectedly fell to the Pontiac colt, Rosimiro, which had been prominent in quite a number of races for maiden two-year without winning. Today he got off with a rusl and, showing the way almost throughout, won turing sort. Goldquest put up a good finish and snatched second money away from Arasee in a close fit. The favorite, Jane Swift, gave no evi-

Number One, a two-year-old that has run some ery good races, and also some bad ones, ran one of his good ones when he vanquished some fair horses of different ages in the fourth race. It was a mile dash, and he won all the way in a style a partiality to long-distance racing. Live Wire, Earl G. and Sea Wolf all ran excellently, but Number One held them safe without trouble. The annual military steeplechase feature given the United Hunts Club has been abandoned

C. H. Pettingill replaced Mars Cassidy as starter at Belmont Park today and his work with the flag was favorably commented on by race-goers; as a matter of fact it was nearly first class. Mr. Cas sidy remained away in order to be near Mrs. Caswho was to be operated upon.

Algernon Daingerfield performed the duties of

Sistant placing judge for the day.

H. M. Mason left for California this morning. On his arrival at Oakland he will begin the preparation of thirty young thoroughbreds for the races belonging to W. O'B. Macdonough.

LATONIA'S ODDS-ON FAVORITES.

O., October 9.—Copperfield Deutschland, both odds-on, were the only choices that won during the afternoon. Rustle's defeat in the fifth, in which she appeared to be much the best, was a hard jolt for the players. Laura Clay, conqueror, showed sudden improvement in her form and won all the way. After Dainty Belle had beaten Jim Simpson, in the third, the judges had Shilling, rider of the latter, up to explain his listless handling of the horse. His explanation was evidently not satisfactory, for they announced that in the future Shilling's saddle work would be restricted to the R. L. Thomas horses

The sharps attempted a big coup in the second, making Macias, a classy looking maiden youngster, owned by G. J. Long the medium of a plunge. His 4 to 1 and better at the opening, was pounded down to 7 to 5 at post time. During the early stages he flattered his backers by running forwardly, but in the final furiong he was in close quarters and failed to get a place, Pointer winning from Marcus Aurelius, with Sweetener a nose back and a like distance before Macias. The latter will beat this field off as soon as he becomes a bit more acquainted with the game.

Moharib, which started in the closing race, broke down during the stretch run and Shining Star, in the third, bled after going a half. Both horses were unnecessarily punished hard by their riders after their mishaps.

Royal Breeze, which was severely kicked while at the post in his last start, had to be destroyed this morning. Owner Walker made a statement to Judge Hopper today that Lycurgus has been sick since his arrival here and that this explains some of the poor rides he had been guilty of. also made a similar plea and the probabilities are that his suspension will be raised in the near

S. Hawkins said today that he had changed his plans of shipping direct to California and will race a small string during the Churchill Downs meeting.

was said to have been \$3,000. Peter Sterling will be shipped to California with the remainder of the Trotter horses. The contract of jockey Mulcahy, the promising apprentice rider who has been showing good form on the Canadian circuit this summer, has been purchased by James Johnson, an eastern horseman, and the boy will probably leave for New York within the next few days.

THIRTY LEADING HORSES.

The thirty horses that have so far won the most in the racing campaign of 1907 are composed of twelve two-year-olds, eleven three-year-olds two four-year-olds, four five-year-olds and one six-year-old. Grouped, the two-year-olds have won \$303,714. three-year-olds \$413,844, four-year-olds, \$47,790, five-year-olds \$68.125 and the one solitary six-year-old in this exclusive list, good old Roseben. \$13,805. It is obvious that the youngsters of horse dom have things very much their own way this year in the matter of pulling down the big plums of the turf. The names and ages of the thirty leaders and their races and money won are as fol-Horse.

Correct Winnings of the Two Stables in 1907 and 1889.

The impudence and ignorance of the average New York turf writer is amazing. He cannot be beaten.'

RIDERS OF STAKE WINNERS.

SIX JOCKEYS WHO HAVE LANDED TEN OR MORE EVENTS.

Knapp, E. Dugan, Radtke, J. Lee, R. McDaniel and Diggins Are the Leaders in the Second Division This Year.

Details of the stakes won by the five jockeys ho have guided the winners of twenty or stake races this year were published in Daily Racing Form of Sunday, October 6, the riders in question being Miller, Mountain, Notter, Nicol and Garner. A second group embraces six riders who have ten or more and less than twenty stake races to their credit. First in this group in respect to aggregate value of stakes won is Knapp. It is but a few years since he was riding over Chicago tracks so diminutive that he was jocularly dubbed "Big Bill" Knapp, but, comparatively, he is now "Big Bill" in earnest, and a jockey of skill and experience. That he is a good judge of pace was shown conclusively when he rode Los Angeleno to victory at Oakland early in the year in the most remarkable and closely contested four-mile race ever run in this country. In his list of important winnings are the Coney Island Jockey Club Stakes on Frank Gill, Brighton Derby on Charles Edward, Twin City Handicap on Nealon, Spinaway Stakes on Julia Powel, and fillies half of the Matron Stakes on Stamina.

Equaling Knapp in number of stake winners ridden is the rising lightweight E. Dugan. This boy has advanced in skill rapidly this year, and unless increasing weight or bad habits overtake him, should have a great career in the saddle be-fore him. He has ridden the winners of sixteen stakes, of which the Annual Champion, Great Filly, Neptune and Great Eastern were the most valuable and most important.

Like Knapp and E. Dugan, the erratic Radtke

stakes to his credit. When on good terms with himself he is as good as the best present-day riders, but his fiery temper keeps him in hot water and impairs his usefulness greatly. His most notable successes were in the Tremont, Mermaid, Ladies, Expectation, Juvenile and Broadway stakes, and the Marlboro and Champlain Handicaps.

The colored rider, J. Lee, has an even dozen stake races to his credit, of which the Latonia Derby, Latonia Oaks and Kentucky Oaks were the most

R. McDaniel's record of eleven stakes won was mainly achieved in Canada, but he has done well recently on the New York tracks in winning the Autumn Stakes at Sheepshead Bay and the Jerome Handicap at Belmont Park. Aside from these the Toronto Cup and Produce Stakes at Toronto were principal suce

The last in this list, the lightweight boy Dighas ridden the winners of ten stakes, of which the Bush Cup Handicap at New Orleans and Royal Handicap at Montreal were the most valuable.

CASE FOR RACING COMMISSION.

Lexington, Ky., October 9.—The State Racing Commission will meet here tomorrow to consider complications growing out of the recently adopted rule prohibiting the racing of horses in which book makers actively engaged in the betting ring interested. The meeting has been specifically called to determine whether or not Fred Cook, who re-cently leased Whisk Broom and one other filly to W. H. Fizer, has violated the rule. If it be shown that the lease is bona fide, as is claimed by Cook and Fizer, it is practically certain that the commission will hold that Cook has not violated the rule, since he has a constitutional right to dispose of his property as he may see fit. In considering the nature of a house or land.

It is not unlawful to lease a horse or a house for legal purposes, and horse racing is not illegal. It is expected also that the commission will give a more definite construction of the rule. The members are not in accord as to the proper construction. Mr. Des Cognets, for instance, holds that the rule clearly intends that no man shall be permitted to race horses and make book on the same Mr. Grainger contends that the bookmaker should be permitted to lay odds on all races save those in which his horses figure as starters Colonel Clay framed the rule as a reformatory measure and with the idea that bookmakers be bookmakers and horse owners be horse owners Chairman Chinn arrived from Harrodsburg last night, but declined to discuss the question until after the meeting tomorrow.

MILTON YOUNG TAKES DELLA THORPE.

Lexington, Ky., October 9 .- Ardis, the two-year old colt by Tithonus-Windermere, arrived night from Latonia and will be turned out at Mc-Grathiana Stud. Colonel Milton Young bought Ardis after his victory here September 21, from J. C. Rogers for \$750, Mr. Rogers having taken him from S. M. Henderson for \$600. The colt is lame. Along with Ardis came Della Thorpe, the three-vear-old filly by Woolsthorpe-Extra. She is to year-old filly by Woolsthorpe-Extra. She is to be retired to the stud. Young and W. A. Smith had a joint interest in Della Thorpe and Marmorean. The partnership has been dissolved, Colonel Young taking Della Thorpe and Smith getting Marmorean.

Winner—Ch. c, by Pontiae—Nil Desperandum (trained by F. C. Frisbie).

Went to post at 3:02. At post 2 minutes. Start straggling. Won handly; second and third driving. Rosimiro quickly took command and won all the way and was well served by a lucky start and the distance. Goldquest closed up steadily from a slow start and got up with a cyclonic stretch rush for second place. Arasee, from a striding start, was a forward contender throughout, but tired finally and had no mishaps. Prowher ran prominently and held on well in the closing drive. Cool, away badly closed a big gap and is promising. Countermand finished well. C. J. Cella failed to stay, but ran forwardly for a half and will improve. Jane Swift was never dangerous. Sungleam, away badly and knocked back, only cantered the journey. The winner was entered for \$1,500; no bid.

Winner—B. f. by Sempronius—Clarmie (trained by C. Oxx).

Went to post at 3:31. At post 5 minutes. Start good. Won easily; second and third driving. Number one established a small lead in the first quarter and, setting a stiff pace, finally drew away decisively midway of the stretch, winning comfortably and is a real stayer. Live Wire maintained nearest pursuit of the winner and was the only serious contender after going the first three furlongs. Earl G. was a forward and game contender throughout and is in good form. Sea Wolf dropped back on the firstlee on the far turn, but closed up rapidly in the stretch and got into a bad pocket and finished on the extreme outside in a belated rush. Earl's Court ran prominent to the final sixteenth, where he tired. Marster, away slowly and outrun early, closed a big gap and was going on fast at the end. Nimbus, reserved under a choking pull, failed to come on when called upon.

Winner—Ch. f. by Meddler—Castalla (trained by J. W. Rogers).
Went to post at 4:08. At post 2 minutes. Start good. Won handily; second and third driving. Brookdale Nymph practically forced the pace throughout and outstayed the others decisively in the closing crive. Jack Atkin, shuffled back at the start, was pocketed in the middle running and, finishing like a cyclone, ran a wonderful race. Adoration is very good and was forward in the running from the start, loomed up menacingly in the last furlong, but tired finally as if short. Ben Ban, shuffled back early, closed up slowly, but went wide on the last turn and failed to get up for third place under a weak finish. Graculum developed brilliant speed for five furlongs, but tired and probably was still short. The other two were beaten off.

Scratched—71322\(\frac{z}{z}\)Dolly Spanker, 106; 71322 Cressina, 104; (71257)Baby Wolf, 119.

"His father was a race rider, and so was his grandfather and all of his brothers. His brother was killed at New Orleans and when I secured the contract from his m it was stipulated by her that the boy should not ride at New Orleans,"?
